

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

AN EXAMINATION OF THE APPLICATION)	
OF THE FUEL ADJUSTMENT CLAUSE OF)	
LOUISVILLE GAS AND ELECTRIC)	CASE NO.
COMPANY FROM NOVEMBER 1, 2012)	2014-00453
THROUGH OCTOBER 31, 2014)	

ORDER

Pursuant to 807 KAR 5:056, Section 1(12), IT IS HEREBY ORDERED that:

1. Louisville Gas and Electric Company ("LG&E") shall appear in Hearing Room 1 of the Commission's offices at 211 Sower Boulevard, Frankfort, Kentucky, on April 7, 2015, at 10:00 a.m., Eastern Daylight Time, to submit itself to examination on the application of its Fuel Adjustment Clause ("FAC") from November 1, 2012, to October 31, 2014.
2. Not less than seven days nor more than 21 days prior to the scheduled hearing, LG&E shall publish in a newspaper of general circulation in each area in which it provides service notice of the purpose, time, place, and date of the scheduled hearing.
3. LG&E shall file with the Commission no later than April 3, 2015, proof of publication of its notice for the hearing.
4. The Commission adopts the procedural schedule set forth in Appendix A to this Order, which is incorporated by reference herein.
5. a. LG&E shall file with the Commission, on or before February 20, 2015, its responses to all requests for information listed in Appendix B. A copy of the

responses to requests for information submitted in paper format, as required under 807 KAR 5:001, Section 8(3), shall be appropriately bound, tabbed and indexed and shall include the name of the witness responsible for responding to the questions related to the information provided.

b. Each response shall be answered under oath or, for representatives of a public or private corporation or a partnership or association or a governmental agency, be accompanied by a signed certification of the preparer or the person supervising the preparation of the response on behalf of the entity that the response is true and accurate to the best of that person's knowledge, information, and belief formed after a reasonable inquiry.

c. A party shall make timely amendment to any prior response if it obtains information which indicates that the response was incorrect when made or, though correct when made, is now incorrect in any material respect.

d. For any request to which a party refuses to furnish all or part of the requested information, that party shall provide a written explanation of the specific grounds for its failure to completely and precisely respond.

e. Careful attention shall be given to copied material to ensure its legibility. When the requested information has been previously provided in this proceeding in the requested format, reference may be made to the specific location of that information in responding to this request. When applicable, the requested information shall be separately provided for total company operations and jurisdictional operations.

f. A party filing a document containing personal information shall, in accordance with 807 KAR 5:001, Section 4(10), encrypt or redact the document so that personal information cannot be read.

6. LG&E shall, on or before February 20, 2015, file with the Commission written direct testimony of the witnesses LG&E intends to call at the scheduled hearing in this matter. The written direct testimony of these witnesses shall address, *inter alia*, the following issues:

a. The reasonableness of LG&E's fuel procurement practices during the review period;

b. Coal suppliers' adherence to contract delivery schedules during the review period;

c. LG&E's efforts to ensure coal suppliers' adherence to contract delivery schedules during the review period;

d. LG&E's efforts to maintain the adequacy of its coal supplies in light of any coal supplier's inability or unwillingness to make contract coal deliveries;

e. Any changes in coal market conditions that occurred during the review period or that LG&E expects to occur within the next two years that have significantly affected or will significantly affect LG&E's coal procurement practices; and

f. Any changes in the wholesale electric power market that occurred during the review period or that LG&E expects to occur within the next two years that have significantly affected or will significantly affect LG&E's electric power procurement practices.

7. At the scheduled hearing in this matter, neither opening statements nor summarization of direct testimony shall be permitted.

8. Unless otherwise ordered by the Commission, the electronic filing procedures set forth in 807 KAR 5:001, Section 8, shall be followed when filing papers in this proceeding.

9. Pursuant to 807 KAR 5:001, Section 8, unless a party granted leave to intervene states its objection to the use of electronic filing procedures in a motion for intervention, the party shall be deemed to have consented to the use of electronic filing procedures and the service of all papers, including Orders of the Commission, by electronic means; the party shall file with the Commission, within seven days of the date of an Order of the Commission granting the intervention, a written statement that the party waives any right to service of Commission Orders by United States mail; and that the party, or the party's authorized agent, possesses the facilities to receive electronic transmissions.

10. Intervenors may serve interrogatories and requests for production of documents upon LG&E in accordance with the procedural schedule set forth in Appendix A.

11. All documents that LG&E filed with the Commission pursuant to 807 KAR 5:056, Sections 1(7) and 1(9), for the period under review are incorporated by reference into the record of this proceeding.

12. The records of Case Nos. 2013-00264,¹ 2013-00447,² and 2014-00228³ are incorporated by reference into this proceeding.

13. Any intervening party that intends to file testimony in this matter shall advise the Commission in writing of its intent to do so and shall, no later than March 23, 2015, move for modification of the procedural schedule, if necessary, to permit the filing of its testimony.

14. A person who submits a motion to intervene after February 26, 2015, and, upon a showing of good cause, is granted full intervention shall accept and abide by the existing procedural schedule.

15. Motions for extensions of time shall be made in writing and will be granted only upon a showing of good cause.

By the Commission

APPENDIX B

APPENDIX TO AN ORDER OF THE KENTUCKY PUBLIC SERVICE COMMISSION IN CASE NO. 2014-00453 DATED **FEB 05 2015**

1. If a change in the base fuel cost is proposed, state the month to be used as the base period (b). If the base period results in a fuel cost other than one representative of current costs as prescribed by 807 KAR 5:056, Section 1(2), explain why this base period was selected. If no change is proposed, include an explanation of the reason(s) LG&E believes the current base period fuel cost should remain unchanged.

2. Provide a calculation of the fossil fuel costs F(b) that LG&E proposes to use to calculate the base period fuel cost. This calculation shall show each component of F(b) as defined by 807 KAR 5:056. Explain why the fuel cost in the selected base period is representative of the level of fuel cost currently being experienced by LG&E.

3. Provide a schedule showing each component of sales as defined by 807 KAR 5:056 in the selected base period (b). Explain why LG&E believes that the sales in the selected base period (b) are representative of the level of kWh sales that LG&E will derive from the level of fuel cost incurred during the selected base period (b).

4. Provide a schedule showing the calculation of LG&E's proposed increase or decrease in its base fuel cost per kWh to be incorporated into its base rate.

5. Provide LG&E's most recent projected fuel requirements for the years 2015 and 2016 in tons and dollars.

6. Provide LG&E's most recent sales projections for the years 2015 and 2016 in kWh and dollars.

7. Provide separately the amounts of power purchases used in the calculation of sales provided in response to Item 3.

8. Provide separately the amounts of intersystem power sales used in the calculation of sales provided in response to Item 3.

9. Provide the planned maintenance schedule for each of LG&E's generating units for the years 2015 and 2016.

10. For the years ending October 31, 2013, and October 31, 2014, provide:

a. Maximum annual system demand; and

b. Average annual demand.

11. List all firm power commitments for LG&E for the years 2015 and 2016 for (a) purchases and (b) sales. This list shall identify the other party (buyer or seller), the amount of commitment in MW, and the purpose of the commitment (e.g., peaking, emergency).

12. Provide a monthly billing summary for all sales to all electric utilities for the period May 1, 2014, through October 31, 2014.

13. a. Provide a schedule of the calculation of the 12-month average line loss by month for November 2012 through October 2014.

b. Describe the actions that LG&E has taken to reduce line loss during this period.

14. List LG&E's scheduled, actual, and forced outages between May 1, 2014, and October 31, 2014.

15. For each existing fuel contract categorized as long-term (i.e., one year or more in length), provide:

- a. Supplier's name and address;
- b. Name and location of production facility;
- c. Date when contract was executed;
- d. Duration of contract;
- e. Date(s) of each contract revision, modification, or amendment;
- f. Annual tonnage requirements;
- g. Actual annual tonnage received since the contract's inception;
- h. Percent of annual requirements received during the contract's term;
- i. Base price in dollars per ton;
- j. Total amount of price escalations to date in dollars per ton; and
- k. Current price paid for coal under the contract in dollars per ton (i + j).

16. Provide a schedule of the present and proposed rates that LG&E seeks to change pursuant to 807 KAR 5:056, shown in comparative form.

17. Provide a statement showing by cross-outs and italicized inserts all proposed changes in rates. A copy of the current tariff may be used.

18. a. State whether LG&E regularly compares the price of its coal purchases with those paid by other electric utilities.

b. If the response is yes, state:

(1) The utilities that are included in this comparison and their locations; and

(2) How LG&E's prices compare with those of the other utilities for the review period. Include all prices used in the comparison in cents per MMBtu.

19. For the period under review by generating station, list the percentages of LG&E's coal delivered by:

- a. Rail;
- b. Truck; and
- c. Barge.

20. For each generating station, state the methods of coal delivery currently available.

21. a. State LG&E's coal inventory level in tons and in number of days' supply as of October 31, 2014. Provide this information by generating station and in the aggregate.

b. Describe the criteria used to determine the number of days' supply.

c. Compare LG&E's coal inventory as of October 31, 2014, to its inventory target for that date for each plant and for total inventory.

d. If actual coal inventory exceeds inventory target by ten days' supply, state the reasons for the additional inventory.

e. (1) State whether LG&E expects any significant changes in its current coal inventory target within the next 12 months.

(2) If the response is yes, state the expected change and the reasons for this change.

22. a. State whether LG&E has audited any of its coal contracts during the period from May 1, 2014, to October 31, 2014.

b. If the response is yes, for each audited contract:

(1) Identify the contract;

- (2) Identify the auditor;
- (3) State the results of the audit; and
- (4) Describe the actions that LG&E took as a result of the audit.

23. a. State whether LG&E has received any customer complaints regarding its FAC during the period from May 1, 2014, to October 31, 2014.

b. If the response is yes, for each complaint, state:

- (1) The nature of the complaint; and
- (2) LG&E's response.

24. a. State whether LG&E is currently involved in any litigation with its current or former coal suppliers.

b. If the response is yes, for each litigation:

- (1) Identify the coal supplier;
- (2) Identify the coal contract involved;
- (3) State the potential liability or recovery to LG&E;
- (4) List the issues presented; and
- (5) Provide a copy of the complaint or other legal pleading that

initiated the litigation and any answers or counterclaims. If a copy has previously been filed with the Commission, provide the date on which it was filed and the case in which it was filed.

c. State the current status of all litigation with coal suppliers.

25. List each written coal supply solicitation issued during the period May 1, 2014, to October 31, 2014.

a. For each solicitation, provide the date of the solicitation (contract or spot), the quantities solicited, a general description of the quality of coal solicited, the time period over which deliveries were requested, and the generating unit(s) for which the coal was intended.

b. For each solicitation, state the number of vendors to whom the solicitation was sent, the number of vendors who responded, and the selected vendor. Provide the bid tabulation sheet or corresponding document that ranks the proposals. (This document shall identify all vendors who made offers.) State the reasons for each selection. For each lowest-cost bid not selected, explain why the bid was not selected.

26. List each oral solicitation for coal supplies issued during the period from May 1, 2014, to October 31, 2014.

a. For each solicitation, state why the solicitation was not written, the date(s) of the solicitation, the quantities solicited, a general description of the quality of coal solicited, the time period over which deliveries were requested, and the generating unit(s) for which the coal was intended.

b. For each solicitation, identify all vendors solicited and the vendor selected. Provide the bid tabulation sheet or other document that ranks the proposals. (This document shall identify all vendors who made offers.) State the reasons for each selection. For each lowest-cost bid not selected, explain why the bid was not selected.

27. For the period from May 1, 2014, to October 31, 2014, list each vendor from whom coal was purchased and the quantity and nature of each purchase (e.g., spot or contract). For the period under review in total, provide the percentage of purchases that were spot versus contract. For contract purchases, state whether the

contract has been filed with the Commission. If the response is no, explain why it has not been filed.

28. For the period from May 1, 2014, to October 31, 2014, list each vendor from whom natural gas was purchased for generation and the quantity and nature of each purchase (e.g., spot or contract). For the period under review in total, provide the percentage of purchases that were spot versus contract. For contract purchases, state whether the contract has been filed with the Commission. If the response is no, explain why it has not been filed.

29. State whether LG&E engages in hedging activities for its coal or natural gas purchases used for generation. If the response is yes, describe the hedging activities in detail.

30. For each generating station or unit for which a separate coal pile is maintained, state for the period from May 1, 2014, to October 31, 2014, the actual amount of coal burned in tons, actual amount of coal deliveries in tons, total kWh generated, and actual capacity factor at which the plant operated.

31. a. During the period from May 1, 2014, to October 31, 2014, have there been any changes to LG&E's written policies and procedures regarding its fuel procurement?

b. If yes,

- (1) Describe the changes;
- (2) State the date(s) the changes were made;
- (3) Explain why the changes were made; and
- (4) Provide the written policies and procedures as changed.

c. If no, provide the date when LG&E's current fuel procurement policies and procedures were last changed, when they were last provided to the Commission, and identify the proceeding in which they were provided.

32. a. State whether LG&E is aware of any violations of its policies and procedures regarding fuel procurement that occurred prior to or during the period from May 1, 2014, to October 31, 2014.

b. If the response is yes, for each violation:

(1) Describe the violation;

(2) Describe the action(s) that LG&E took upon discovering the violation; and

(3) Identify the person(s) who committed the violation.

33. Identify and explain the reasons for all changes in the organizational structure and personnel of the departments or divisions that are responsible for LG&E's fuel procurement activities that occurred during the period from May 1, 2014, to October 31, 2014.

34. a. Identify all changes that LG&E made during the period from May 1, 2014, to October 31, 2014, to its maintenance and operation practices that affect fuel usage at LG&E's generation facilities.

b. Describe the impact of these changes on LG&E's fuel usage.

35. a. List all intersystem sales during the period from May 1, 2014, to October 31, 2014, in which LG&E used a third party's transmission system.

b. For each sale listed above:

(1) Describe how LG&E addressed, for FAC reporting purposes, the cost of fuel expended to cover any line losses incurred to transmit its power across the third party's transmission system; and

(2) State the line-loss factor used for each transaction and describe how such line-loss factor was determined.

36. Describe each change that LG&E made to its methodology for calculating intersystem sales line losses during the period from May 1, 2014, to October 31, 2014.

37. State whether LG&E has solicited bids for coal with the restriction that it was not mined through strip mining or mountaintop removal. If the response is yes, explain the reasons for the restriction on the solicitation, the quantity in tons and price per ton of the coal purchased as a result of this solicitation, and the difference between the price of this coal and the price it could have obtained for the coal if the solicitation had not been restricted.

38. List LG&E's generating units in economic dispatch order. State whether LG&E's generating units were operated in economic dispatch order during the period under review. If the response is no, explain.

39. By month, provide the \$/MWh of fuel costs allocated each to native load and off-system sales for November 2012 through the most recent month available. Include in the response the calculations supporting the \$/MWh amounts.
